**Re: Enlargement of Time to File Answer
Batista v. Michaelangelo Pavers, et al.
07 CV 6716**

Your Honor:

I am the attorney for Defendant Pollack, Pollack, Isaac & DeCicco, LLP (Pro Se) in the above-referenced action. We are a law firm and a pro se defendant in this matter.

I kindly ask the court's indulgence for an enlargement of time in which to file our answer electronically. The answer is ~~due today~~. However, I, nor any other member of this firm, is registered with ECS in the Southern District and the registration process takes 48 hours. There appears to be no way to expedite the process.

Attached you will find an e-mail that I have received from ECS confirming that they have received my request for registration online, which I filled out today.

I apologize for not taking care of this sooner. I am registered with ECS/Pacer in the Eastern District and I was not aware that a separate registration was necessary.

I left a voice mail today for the plaintiff's attorney, Dominick Sorrentino, Esq., to request that he stipulate to an enlargement of time. However, I have not heard back from him.

In the meantime, I am filing the answer on paper and serving a copy on the plaintiff's counsel. I will file the Answer electronically as soon as I am able.

I beg the court's indulgence in this matter.

Yours truly,
